TA-08	As a user I want to click on a tweet from the search list and view the details	Trends	http://www.screencast.com/t/0hdpPNMrnVE

Application desired Flow

Will be shared apart from this document. Desired flow, it mean minimal flow. You can elaborate a much more complex flow with more screens.

App Support

The application should adapt to different screen sizes and be responsive

Desktop	Chrome/Safari (Resolution starting on 1024px)
Tablet	iPad2 / iOS 7.1
Phone	iPhone 4s / iOS 7.1
	iPhone 5 / iOS8
	Nexus5 / Android 4.4.2 +

Evaluation

- Markup and Styling
- Code styling and best practices
- Screens looking like mockups
- Additional content will be considered a plus
